I just wanted to say thank you to the teachers for caring for me and teaching me throughout the past 7 years. Thank you Grace for being an amazing friend and making me laugh. Thank you Chris for fun and interesting conversations. Thank you family for always supporting me. I will always cherish these 7 years at walden! Lastly thank you class of 2017 for being my second family. Time flies even if turkies don't. Keep working hard and always follow your dreams.

Take pride in how far you have come and have faith in how far you can go.
